- If there is space available, your application will be duly considered for acceptance by the Static Display Committee, which we must advise, **gives preference to exhibits with an agricultural focus.**
- Upon acceptance, you will be contacted to confirm your availability, offered site choices available and then a 2009 prospectus will be forwarded to you for your completion. **Please note this process will not occur until late July 2009 at the earliest.**
- For more information, I refer you to our website which is updated as new features become available from the Committee. However, if you need further assistance at any stage, please do not hesitate to contact our office.
