

Here's an opportunity to keep up to date with new releases, particularly those that are a feature of agriculture and rural industry in Australia.

Our exhibitors have advised us of the following new products released since October last year which they will have on their site at this year's Elmore Field Days. You will see a great diversity of new products on show.

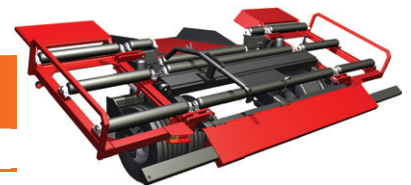

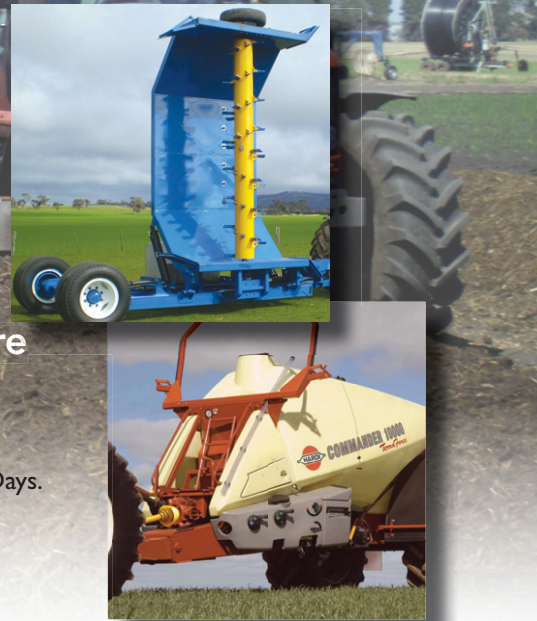

A number of these new releases will also qualify for our major Awards:

The Weekly Times Imported Machine of the Year ■

The Weekly Times Australian Machine of the Year ■

Telstra Award for Technology & Innovation ■
